¹ Only major changes are listed. Minor changes refer to updates in style, layout, links, clarifications, etc.

² Versions numbers refer to different nature of changes in factsheets:

- The first two numbers refer to the version of the factsheet (e.g. version 01) and are not going to change, unless there are substantial changes, i.e. new rules are introduced, rules are changed, procedure changes, etc., (e.g. version 02).
- The number after the point refers to new versions having only minor changes, i.e. stylistic, layout, clarification or explanations, reference links, etc., (e.g. version 01.2).
