

## Call for project proposals

## Capitalisation Small-Scale Projects

### Specific objectives

All specific objectives of the programme

### Definition

Capitalisation is a process put in place to make sure that valuable results, previously achieved, are used or transferred to other organisations, geographical locations, sectors, time or other contexts.

### Types of capitalisation

- A)** Achieved in projects of the Interreg IPA CBC Italy-Albania-Montenegro in the 2014-20 period;
- B)** Achieved with other funds, programmes, initiatives, projects, geographical contexts;
- C)** Achieved by a project partner's organisation and widely recognised as a good practice, of which evidence of external/independent assessments shall be provided.

### Additional points

Contribution to EUSAIR actions and flagships, and for projects involving non-profit partners.
