Thematic factsheets on key topics for the benefit of project partners

In preparation of future calls for projects and in order to provide thematic support to project partners, beneficiaries of the Interreg IPA South Adriatic 2021-2027 Programme, the Managing Authority is developing **thematic factsheets**, funded through technical assistance in compliance with article 32 (1) of the Implementing Regulation No 447/2014. The factsheets are developed by a pool of experts, selected through the Regional Agency of the Managing Authority ARTI, in compliance with art. 45 (2) of the Commission Implementing Regulation (EU) No 447/2014 and the public procurement rules of the Italian D.lgs. n. 50/2016 (applying Directive 2014/24/UE).
