

Roadmap for a New Vision in the South Adriatic Area

CAPITALISATION EVENTS

Interreg IPA CBC Italy-Albania-Montenegro 2014-2020
towards Interreg IPA South Adriatic 2021-2027

TOPIC 4: SMART CITIES

SMART CITIES: PROJECTS AND NEW TECHNOLOGIES FOR GREENER AND SAFER CITIES

Agenda

November 22, 2023	14.00 – 18.00
-------------------	---------------

The event will be held at Hotel Villa Romanazzi Carducci – BARI (Federico II room) – Working language: English

The thematic event aims to image the city of the future up to 2030, where the perfect synergies between new technologies and a human-centric approach can design greener and safer cities. The event will illustrate key challenges in urban environments, including green spaces, mobility, and renewable energy, as well as good practices in programmes and project design.

The thematic event is connected to SDG 9 (targets 9.1, and 9.4); **SDG 11** (targets 11.2, 11.3, 11.6, and 11.7); SDG 13 (target 13.3).
