TOPIC 5: MOBILITY

URBAN PLANNING & SUSTAINABLE ACTIVE MICRO-MOBILITY

Agenda

November 23, 2023	09.00 – 13.00
-------------------	---------------

The event will be held at Hotel Villa Romanazzi Carducci – BARI (Federico II room) – Working language: English

The thematic event aims to show the perspectives for urban planning and active mobility for cities and regions to contribute to safer, more affordable, accessible, and sustainable transport systems up to 2030. Particular attention will be devoted to urban participatory planning and analysis of the demands of (future) users with a people-centred approach and reflection on the effects on different user groups (e.g., gender sensitivity).

The thematic event is connected to SDG 3 (targets 3.6, and 3.9); SDG 5 (target 5.2); SDG 9 (target 9.1); **SDG 11** (target 11.2).
