

AGENDA
WORKSHOP "WATER SECTOR DEVELOPMENT AND ITS IMPACT ON BIODIVERSITY"
3 OCTOBER 2024, KINGS PARK HOTEL PODGORICA

08:30 – 09:00 REGISTRATION OF PARTICIPANTS	
09:00 OPENING OF THE WORKSHOP	
09.00 – 9.10	<p>Opening of the workshop “Water sector development and its impact on biodiversity”</p> <p>Zoran Lakušić, Chairman of the Board of Directors of the Regional Waterworks for the Montenegrin Coast</p>
09.10 – 9.20	<p>The importance of partnership in implementing the development projects</p> <p>Borislav Ivanković, CEO of the Regional Waterworks for the Montenegrin Coast</p>
09.20 - 09.35	<p>AQP CROSSWATER PILOT PROJECTS: Goals and results</p> <p>Serena Zonno, Engineer managing the works on waste water treatment plants , Bari, Acquedotto Pugliese</p>
09.35-09.50	<p>UKT Tirana</p> <p>Address of the representative of Ujësjetës Kanalizime Tiranë</p>
09.50 – 10.40	<p>Projekat “CrossWater” – key achievements</p> <ul style="list-style-type: none"> o Techno-economic study – prof. dr Zoran Stevanović o Establishment of the water flow metering stations network – mr Golub Ćulafić o Extension of the water withdrawal capacities – investigation plan, project and cost assessment - Aleksandar Cerović, Head of the Technical Department of the Regional Waterworks for the Montenegrin Coast
WORKSHOP No. 1	
10.40 – 10.50	<p>Introduction to topics - “Sustainability of Water Resources Mangement”</p> <ul style="list-style-type: none"> o Water management and its impact on habitats and biodiversity; o Sources of pollution and their effects on water and ecosystems in affected areas. o Impacts of river regulation and dam construction on migration of fish and other water species; o Investigating relationship between the climate change, water availability and biodiversity; <p>Aleksandar Cerović, Head of the Technical Department of the Regional Waterworks for the Montenegrin Coast (mr Željko Raičević, Board of Directors Advisor for the technical issues)</p>
10.50 – 11.00	Break
WORK GROUPS	
11.00 – 11.30	<p>Group A - Water management and its impacts on habitats and biodiversity</p> <p>Moderators– Milo Radović and Aleksa Gospić</p> <p>Group B - Sources of pollution and their effects on water and ecosystems in affected areas</p>

	Moderator – Danijela Žujović
	Group C - Impacts of river regulation and dam construction on migration of fish and other water species
	Moderator – Biljana Jončić
	Group D - Investigating relationship between the climate change, water availability and biodiversity
	Moderator – Mr Golub Ćulafić

PLENARY SESSION - REPORTING

11.30 – 12.15	REPORTING: Group A Group B Group C Group D
12.15 – 12.30	Break

WORKSHOP No.2

12.30 – 12.40	<p>Introduction to topics - Water Sector Development</p> <ul style="list-style-type: none"> o Investigating methodologies and practices for efficient use and preservation of the water resources following the demands of communities and preservation of ecosystems. o The role of education and raising of awareness of the public about the importance of preservation of water ecosystems and biodiversity. o Impacts of construction of the dams, accumulations, irrigation systems and other infrastructure structures on environment. o Costs and benefits out of investment made in water resources including the economic and ecological values of water ecosystems. o Models of the joint water source management and the ways the local communities may assume active role in preservation and preservation of water quality. <p>prof. dr Zoran Stevanović and prof. dr Milan Radulović</p>
----------------------	--

WORK GROUPS

12.40– 13.10	<p>Group A</p> <ul style="list-style-type: none"> o Investigating methodologies and practices for efficient use and preservation of the water resources following the demands of communities and preservation of ecosystems. <p>Moderator – dr Golub Ćulafić</p>
	<p>Group B</p> <ul style="list-style-type: none"> o The role of education and raising of awareness of the public about the importance of preservation of water ecosystems and biodiversity. <p>Moderator – Zoran Lakušić</p>
	<p>Group C</p> <ul style="list-style-type: none"> o Impacts of construction of the dams, accumulations, irrigation systems and other infrastructure structures on environment <p>Moderator – Milovan Bijelić</p>
	<p>Group D</p> <ul style="list-style-type: none"> o Costs and benefits out of investment made in water resources including the economic and ecological values of water ecosystems

	<ul style="list-style-type: none"> o Models of the joint water source management and the ways the local communities may assume active role in preservation and preservation of water quality. <p>Moderators – Borislav Ivanković i Vojislava Stijepović</p>
13:10-14:10 Lunch	
PLENARY SESSION- REPORTING	
	<ul style="list-style-type: none"> Group A Group B Group C Group D
WORKSHOP No.3	
14.50 – 15.00	<p>Introduction to topics</p> <p>“Industrial and economic developments in the area of the sanitary protection zones”</p> <ul style="list-style-type: none"> o Achieving balance between the development of economy and protection of water sources o Legislation related to the protection of water springs and in what ways they may impact the industrial and economy development o Development of new technology solutions that may enhance protection of water springs and foster the sustainable development of economy. o Role of the local communities, state institutions and private sector in joint water spring management in the sanitary protection zones. <p>Željko Raičević and Vuk Vujisić</p>
WORK GROUPS	
15.00 – 15.30	<p>Group A - Achieving balance between the development of economy and protection of water sources</p> <p>Moderator – Semir Kalač</p>
	<p>Group B - Legislation related to the protection of water springs and in what ways they may impact the industrial and economy development</p> <p>Moderator – Vladimir Ružičić</p>
	<p>Group C - Development of new technology solutions that may enhance protection of water springs and foster the sustainable development of economy.</p> <p>Moderators– Tihomir Adžić, Milovan Bjelić</p>
	<p>Group D - Role of the local communities, state institutions and private sector in joint water spring management in the sanitary protection zones.</p> <p>Moderator – Milo Radović</p>
15.30 – 15.45	Break
PLENARY SESSION- REPORTING	
	<ul style="list-style-type: none"> Group A Group B Group C Group D
16.30 – 16.45	Conclusions : Aleksandar Cerović, Head of the Technical Sector
16.45 End of Workshop
