CONNECTED

ON CLOUD NINE+ - Connecting close and unexplored destinations with new Inter-Adriatic transport services+, is a project funded by the European Union under the Interreg IPA South Adriatic Programme 2021-2027.

### Duration

start date - end date

01.02.2024 - 31.01.2025

## Main Goal

The overall objective of the project is to promote connectivity through the development strategies for sustainable of air transport to overcome the important obstacles in the Programme area and improve greener and more sustainable transport.

The project will create a framework of joint actions for a greener and more sustainable connectivity, by including air transport, tourist and IT economic operators and policy-makers in the identification of best solutions to address sustainable cross-border transit.

### Total budget

184,937.42 €

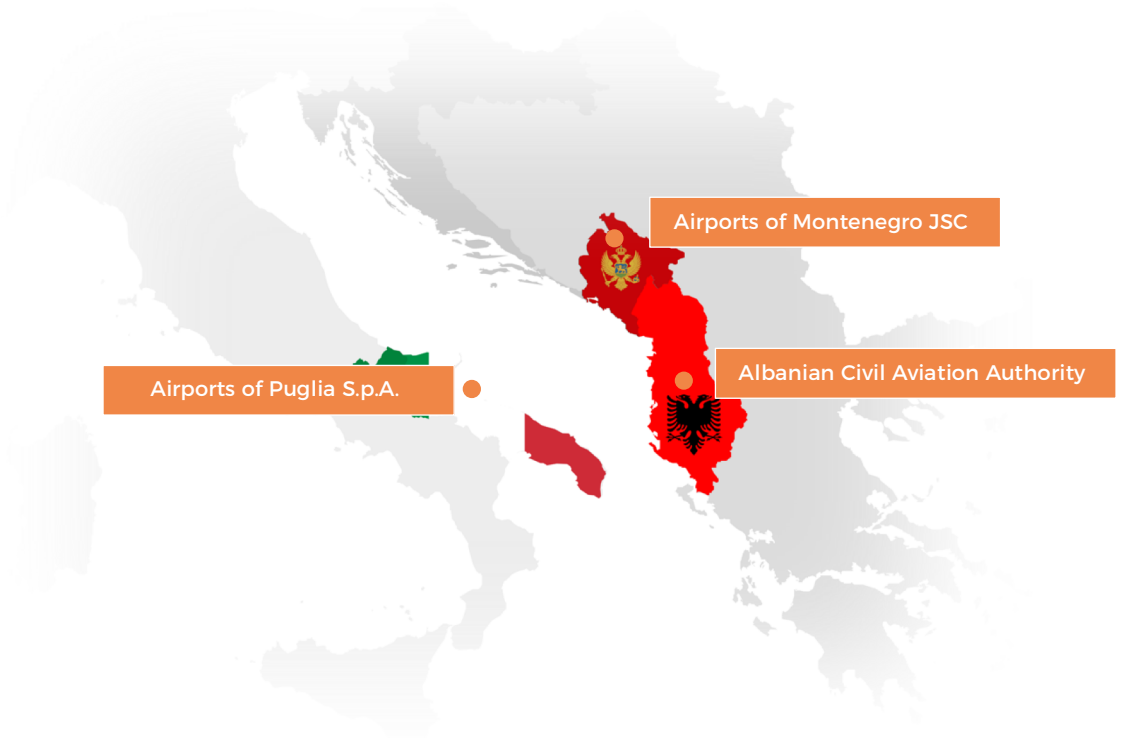

### EU funding

153.062,18 €

## Project Partners

- **Lead Partner** - Airports of Puglia S.p.A. (**Italy**)
- **Partner** - Albanian Civil Aviation Authority (**Albania**)
- **Partner** - Airports of Montenegro JSC (**Montenegro**)

## Project main activities -Expected output/results

The main output developed by the project will be a model for a more sustainable and inclusive air connectivity. This output will improve the work of transport operators providing them with a set of innovative solutions in the field of sustainable air mobility.
