

## GOVERNANCE

Empowerment and simplification processes for a digital and good governed South Adriatic

## GOVERNANCE

Governance – Empowerment and simplification processes for a digital and good governed South Adriatic - is a project funded by the European Union under the Interreg IPA South Adriatic Programme 2021-2027.

### Duration

start date - end date

01.07.2023 – 31.12.2027

## Main Goal

The strategic project on good governance aims to make public administration more efficient in serving citizens and addressing local needs in Italy, Albania and Montenegro area. It focuses on simplifying procedures, introducing digital tools, and improving the skills of public officials to manage these tools and EU funding programs effectively.

### Total budget

4.498.540,98 €

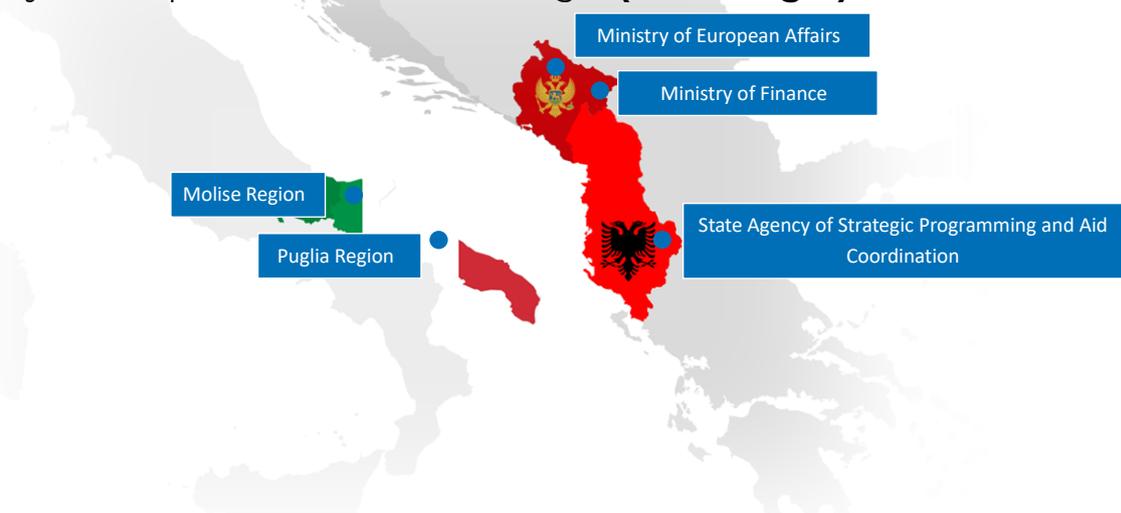

### EU funding

3.697.036,47 €

## Project Partners

- **Lead Partner** - Puglia Region Economic Development Department, Digital Transformation Sector **(Italy)**
- **Partner** - Molise Region **(Italy)**
- **Partner** - State Agency of Strategic Programming and Aid Coordination - SASPAC **(Albania)**
- **Partner** - Ministry of Finance of Montenegro **(Montenegro)**
- **Partner** - Ministry of European Affairs of Montenegro **(Montenegro)**

## Project main activities -Expected output/results

To support and empower public institutions and improve the efficiency of their services, the project will focus on:

1. Developing a strategic framework and operational plans to strengthen digital skills.
2. Launching pilot projects to create IT tools that address local needs.
3. Establishing a multifunctional hub that provides tailored knowledge and skills through a networking platform and a cross-border task force.

The project will also include capacity-building activities to help public administration staff gain digital skills and understand EU funding and policies, especially to foster Albania and Montenegro pre-accession process.
