

Event agenda

Local Energy Community 2 (LEC +)

“LEC+ model for creating local energy communities”

Municipality of Mirabello Sannitico

Town Hall Meeting Room, Via Firenze 1

28th March 2025

10h30 - 11h00 Registration of participants 11h00 Start of the meeting	
11:00 – 11:30	Mr Angelo Miniello, Mayor of Mirabello Sannitico Mr Antonio Agrosi, Project Officer, Joint Secretariat Interreg IPA South Adriatic (TBC)
Contents and inputs	<ul style="list-style-type: none"> Brief presentation of the Municipality of Mirabello Sannitico and introduction to the workshop agenda.
Expected output	<ul style="list-style-type: none"> Information about the agenda of the day and upcoming discussion topics.
11:30 – 12:00	The LEC and LEC + projects. Mr Roberto D’Amico, External expert, Municipality of Mirabello Sannitico
Contents and inputs	<ul style="list-style-type: none"> Presentation about the projects LEC and LEC +: objectives, activities and impacts.
Expected output	<ul style="list-style-type: none"> Participants will be informed about the results achieved by the LEC and LEC + projects, gaining a comprehensive understanding of their impacts. Furthermore, they will be introduced to the LEC+ capitalization actions, providing insight into the next activities planned and how it builds upon the outputs and results of the previous Project.
12:00 – 12:20	Energy transition and local energy communities in Tirana. Mrs Adela Krajka, Municipality of Tirana
Contents and inputs	<ul style="list-style-type: none"> Overview of Tirana’s municipality planned actions on energy efficiency and about the establishment of local energy communities.
Expected output	<ul style="list-style-type: none"> Participants will learn from cross border experiences about energy efficiency and establishment of local energy communities.

12:20 – 12:40	Energy transition and local energy communities in Cetinje. Mr Milos Ivanišević, Municipality of Cetinje
Contents and inputs	<ul style="list-style-type: none"> Overview of Cetinje's municipality planned actions on energy efficiency and about the establishment of local energy communities.
Expected output	<ul style="list-style-type: none"> Participants will learn from cross border experiences about energy efficiency and establishment of local energy communities.
12:40 – 13:00	Energy transition and local energy communities in Terlizzi. Mrs Angela Parisi, Municipality of Terlizzi
Contents and inputs	<ul style="list-style-type: none"> Overview of Terlizzi's municipality planned actions on energy efficiency and about the establishment of local energy communities.
Expected output	<ul style="list-style-type: none"> Participants will learn from cross border experiences about energy efficiency and establishment of local energy communities.
13:00 – 14:30 Lunch break	
14:30 – 15:00	Local energy communities in Spain. Mr Ignacio Aranda, External Expert, Diputacion de Valladolid
Contents and inputs	<ul style="list-style-type: none"> Spanish nation example and good practices about local energy communities.
Expected output	<ul style="list-style-type: none"> Participants will learn about good practices example of energy communities established in Spain.
15:00 – 15:30	National incentives and financing opportunities for energy transition in Italy Mr Renato Colonna, external expert, GAL Molise verso il 2000
Contents and inputs	<ul style="list-style-type: none"> Overview on national financing opportunities and incentives to promote energy transition and local energy communities.
Expected output	<ul style="list-style-type: none"> Participants will learn about example of financial initiatives and projects made in Italy regarding energy transition.
15:30 – 16:00	HexErgy: blockchain platform for Renewable Energy Communities management. Speaker: Luca Di Narzo, CEO and Co-founder HexErgy
Contents and inputs	<ul style="list-style-type: none"> An online platform to design, create, monitor and manage energy communities.

Expected output	<ul style="list-style-type: none"> Participants will learn about new online digital platform functionalities established to create local energy communities.
16:00 – 16:30	<p>Cross-border energy community model: benefits and advantages in the context of the LEC project.</p> <p>Speaker: Mr Adolfo Fabrizio Colagiovanni, External Expert, Municipality of Mirabello Sannitico.</p>
Contents and inputs	<ul style="list-style-type: none"> Cross border model for creating local energy communities developed within the previous LEC project.
Expected output	<ul style="list-style-type: none"> The participants will learn about the model developed by LEC project on how to establish energy community.
16:30 – 17:00	<p>The positive city project:</p> <p>Speaker: Mrs Alessia D'Alessandro and Mr Andrea Meffe.</p>
Contents and inputs	<ul style="list-style-type: none"> Presentation of new financed project by Interreg South Adriatic programme and the pilot action that will be done in Mirabello Sannitico.
Expected output	<ul style="list-style-type: none"> Participant will learn about new project initiative that will be made in Mirabello Sannitico.
17:00 – 17:15	<p>The role of the cooperative model for the creation of energy communities: the RESPIRA Programme</p> <p>Speaker: Mrs Chiara Iosue, Legacoop Molise.</p>
Contents and inputs	<ul style="list-style-type: none"> The benefits of the cooperative model used to create an energy community will be presented
Expected output	<ul style="list-style-type: none"> Participants will learn the positive aspects of creating a local energy community using the cooperative model
